“And if you see the Ego controlling you,
And it comes to lead you into the Fire of Desires,
Banish its desires by continuous blessing,
There is nothing to compare with *Dala’il ul-Khayrat*
With *Dala’il ul-Khayrat* you must be firm,
Read it to obtain your wishes,
Lights appear and blaze thereby,
O my Brother, it is never to be abandoned.”

Introduction

‘Adaab –Manner of Reading the Dalail ul Khayrat

by Muhammad Sajad Ali Qadiri-Noshahi

The simple name is *Dalaail ul Khayraat* (Proofs of Good Deeds) is a kitab (book) of salawaat (blessings) on our beloved Holy Prophet Sayyidina wa Mawlana Hadrat Muhammad al-Mustafa Sallallahu ‘alaihi wa Sallam composed by *Shaykh Imam Muhammad bin Sulayman al-Jazuli* Rahmatullahi ‘alaih of Morocco. (the simple name Shaykh al-Jazuli). He was a Shaykh in the *Shadhili tariqa* who traced his ancestry to Imam Hasan ibn ‘Ali.

I Muhammad Sajad Ali Qadiri-Noshahi- UK was given the Opening, the Gift the Barakah, The Noble Ijaaz-Permission/Licence to read the Dala’il ul-Khayrat by Shaykh Ahmed Zakkariyah; The Qutb of Medina Shareef, a Shaykh of great blessings and many Secrets (may Allah bless him R.A) From the Shaykh I received also the Idhn/Islamic Licence of authority to give; to All who want to read it.

Islamically everything in Shariah and Tariqah must have a isnad-Chain of Ijaaza-permission if its has any creditability of value. Like Hadith for example heard this from so-and-so who heard it from so-and-so all the way back to the Noble Prophet peace and blessings be upon him. The Quran, Hadith, Fiqh, Tariqah everything has Isnad to which it can be traced back to the Prophet peace and blessings be upon him. Otherwise people can say what they please, which of courses leads to people making things up and lying about our beloved Deen and of course this is how groups and divisions have appeared.

Ijaaz-Permission/Licence gives people the Authority to speech or act in the Deen. Its what many people in the western world would understand as a Diploma or Degree in Science link a Business or Medicine. Would you put you hands in a surgeon who has leant from books and never went to medical university. No is the answer the same is with the Deen of Allah, but more. Today many people are happily listen to our young brothers speech on the Deen who have never even learnt the basic of Islam.

The adab of reciting the Dalalil ul Khayrat is like this you, start on *Sunday Evening* at Maghrib which is actually Monday in Islam and finish the following next *Sunday Evening* at Maghrib. This equals 8 days. There are 8 parts to the book you must read a chapter a day.

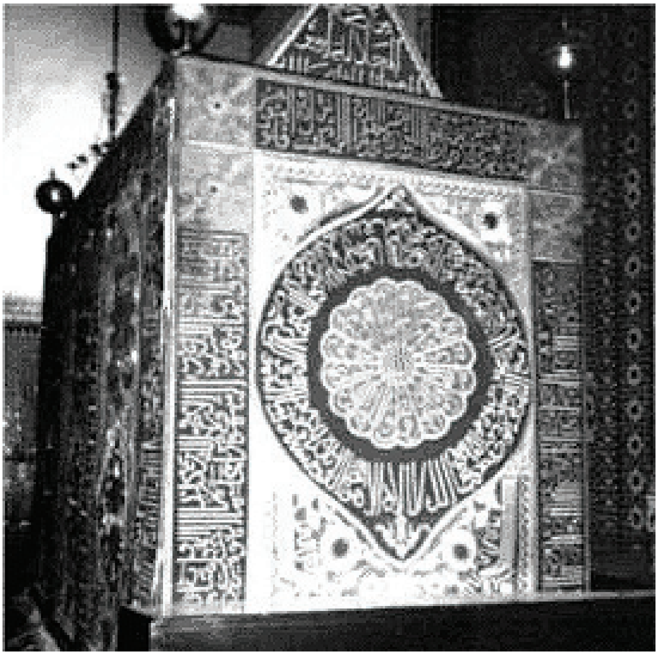

Once you have finished the noble book completely the author humbly requests you send him Surah Fatiha as a Gift, this is done every time you fully complete reading the noble book. So thus you can read this dua: Start with Durood Shareef (salawat ala Rasul) any 1, 3, 11 times
"I send the Thawab-Reward of all that I have read to:
Sayyiduna Muhammad. peace be upon him,
Khailafa Rashidun:- Abu Bakr,
Umar,
Uthman,
Hadhrat Ali karma wala wajhu
Imam Hasan wa Hussain,
and all the Ahl-bayt,
all the sahaha-ikram,
ta'beeen, tab-ta'been,
All Anbiya,
Shaheed,
Saliheen,
the Master of Sufis Shaykh Abdul-Qadiri Jilani,
Shaykh Hajji Muhammad Noshah Ganj-Baksh,
Shaykh Arifeen Akbar Ali,
Shaykh Sultan Ali Shah,
Sufi Hajji Amjad Hussain Shah Qalandar Wali
and all the Awliya-allah,
the 40 Abdals and the Qubt of this Zamaan.

And especially to Shaykh Jazuli the Author of the Dalail ul Khayrat

«O Allah for their Sake I send this thawab-reward as Hadiyah-Gift upon them and my relatives. Help me for the sake of all there ibadaah, Ya Allah open my desires, my wises and hopes, and close all evil and pains in my life, and make ease my life and answer my prays by the secret of this noble Dalail ul Khayrat. Read Surah Al-fatiha finally send Surah al-faitha especially to Shaykh Jazuli the Author of the Dalail ul Khayrat»

End with Durood Shareef (salawat ala Rasul) any 1, 3, 11 times

This is the best manner of asking anything from Allah and this Pious Saints, for they will be asking dua on your behalf if you have practice this method insha'allah.

Tomb of Abu Abdullah Muhammad Al Jazuli (may Allah lighten his tomb).

Biographical Note

القدوس جل جلاله

Shaykh Abu Abdullah Muhammad Ibn Abderrahman Ibn Abi Bakr Ibn Suleiman Al-Jazouli Simlali al-Hassani al-Maghribi. Referred to his grandfather, he is called shortly Shaykh Muhammad Ibn Suleiman al-Jazuli. He belonged to the Berber tribe of Jazula which is settled in the Sus area of Morocco between the Atlantic and the Atlas Mountains. He studied locally and then travelled to Fés, the spiritual capital of Morocco, where he joined the famous Madrasat As-Saffareen in the Old Medina.

He took the Shadiliya Path from Shaykh Abu Abdullah Muhammad Ibn Amghar as-Saghir, one of the Ashraaf (descendents of the Prophet) of Bani Amghar village. When he became a Complete Shaykh, he headed towards the town of Safi where he gathered many disciples around him. Later on, Sidi al-Jazuli moved to Afwiral, a Sus village in Morocco, where he established his zawiya that became a centre of spirituality attracting 12665 disciples of his. His Tariqa was mainly based on making prayers upon Sayyiduna Muhammad (peace and blessing be upon him) as indicates his book: (Dalail ul Khayrat), which he published in Fés after spending forty years in Mecca, Medina Mounawara and Jerusalem. Dalail ul Khayrat or "ad-Dalil" as Moroccans prefer to call it, is considered as an exclusive source to make prayers upon Sayyiduna Muhammad (peace and blessing be upon him), as well as a correct and innovative piece of work ever published on the issue.

In fact, the book of Dalail ul Khayrat was welcomed by the Ummah east and west. Many scholars concentrated to explain some of its meanings and benefits such as Sidi Suleiman al-Jamal Shafii, Sidi Hasan al-Adwi al-Misri, Sidi Abdelmajid Sharnubi who call his book (Manhaj A-Sa'adat), Sidi Muhammad al-Mahdi Ibn Ahmad al-Fasi who call his book (Matalia

al-Masaraat Bijalaa Dalail Al Khayrat), and the famous Savant of Allah Sidi Ahmad Zaruk; the diciple of his Shaykh Sidi al-Jazuli (may Allah lighten his tomb).

Sidi Abu Abdullah Muhammad Al-Jazuli passed away in 870 AH and was buried inside his zawiya in Afwiral. Seventy-seven years after his death, his body was exhumed for removal to Marrakech and found to be uncorrupted. He became on of the Seven Men of Marrakech in addition to Sidi Kadi Ayaad, Sidi al-Abbas Sabti, Sidi Joussouf Ben Ali, Sidi Abdellaziz, Sidi Moul al-Ksour, and Sidi al-Soheyli (may Allah be pleased with all of them).

It is said that Sidi Muhammad Al-Jazuli once went on a journey, when in great need of water for making ablutions, he came upon a well but could not reach the water without a bucket and rope which he did not have. He became very worried. A young girl saw this and came to his assistance. She spat into the well whereupon the water rose to the top of its own accord. Seeing this miracle, he asked the girl " And how is that possible?" She replied "I was able to do this through my asking for blessings upon the Prophet, Allah's blessings and peace be upon the him." Having thus seen the benefit of asking for blessings upon the Prophet, Allah's blessings and peace be upon him, he decided to write Dalail ul Khayrat.

Foreword

Praise be to Allah and blessings and peace be upon our master Muhammad, his family and his Companions.

The Shaykh, the Imam, the Great Saint, the Renowned Pole, the Sultan of the Near Ones and Pole of the True Ones, The Master of the Gnostics, the Possessor of Open Miracles and Abundant Secrets, Sayydi Abu Abdullah Muhammad ibn Suleyman Al-Jazuil, may Allah be pleased with him, said:

Praise be Allah who has guided us to faith and to Islam. And blessings and peace be upon our Master Muhammad, His prophet who has delivered us from worshipping graven images and idols.

The subject of this book is remembering to ask for blessings upon the Prophet, Allah's blessings and peace be upon him, and its benefits. We mention the traditions without the chains of transmission in order to make it easier for the reader to memorise them, this being one of the important essentials for the one seeking nearness to the Lord of Lords.

I have named this book *The Index of Good Things and the Advent of Blazing Lights in the Remembering to ask for Blessings upon the Chosen Prophet* desiring the pleasure of Allah the Exalted and love for His Noble Messenger, our master Muhammad, Allah's blessings and abundant peace be upon him.

And Allah is responsible for making us follow his way, and making us love the perfect ones, for He is Able to do this. There is no god save He and there is no good save His good. And He is the best Protector and best Helper. And there is no help nor power save through Allah the High,

the Mighty.

The Benefit of Requesting Blessings upon the Prophet,

Allah's blessings and peace be upon him.

Allah, Mighty and Sublime is He, said:"Verily, Allah and His angels bless the Prophet. O you who believe, ask (Allah) to bless him and grant him abundant peace".

And it is related that the Messenger of Allah, Allah's blessings and peace be upon him, came one day with signs of good tidings visible upon his face. He said:"Lo, Gabriel, peace be upon him, said to me,"Are you not pleased, O Muhammad, that whenever one of your nation asks Allah to bless you, Allah will bless him tenfold and that whenever one of your nation asks Allah to grant you peace, Allah will grant peace tenfold."

And he said, Allah's blessings and peace be upon him:"The nearest person to me is the one who asks for blessings upon me the most".

And he said, Allah's blessings and peace be upon him:"Whoever asks for blessings upon me, angels are blessings him for long as he asks, be it for a short time, be it for a long time".

And he said, Allah's blessings and peace be upon him:"A person is considered a miser if, when I am mentioned in his presence, he fails to ask blessings upon me".

And he said, Allah's blessings and peace be upon him:"Ask for more blessings upon me on Fridays".

And he said, Allah's blessings and peace be upon him:"Whoever of my nation asks for blessings upon me once, ten good deeds are written down for him and ten sins are erased."

And he said, Allah's blessings and peace be upon him:"Whoever hears the call to Prayer and says, 'O Allah, Lord of this perfect call and this established prayer grant Muhammad the Closet Access, the Pre-Eminence, the Lofty Rank and send him to the Most Praised Station which You

have promised him', my intercession for him will be binding on the Day of Resurrection."

And he said, Allah's blessings and peace be upon him: "Whoever asks for blessings upon me in a book, the angels bless him for as long as my name is in that book".

And Abu Suleiman Ad-Darani said:"Whoever wishes to request something from Allah, let him increase his asking for blessings upon the Prophet, Allah's blessings and peace be upon him, and then he may ask Allah about his affair and then seal his request by once more asking for blessings upon the Prophet, Allah's blessings and peace be upon him. For Allah will accept the two requests for blessings upon the Prophet and this is something more noble than whatever he asks for in between".

And it is related that he said, Allah's blessings and peace be upon him: "Whoever asks Allah one hundred times to bless me on a Friday will be forgiven the sins of eighty years".

And Abu Huraira, may Allah be pleased with him, said:"The Messenger of Allah, Allah's blessings and peace be upon him, said, 'For the one asks for blessings upon me there is a light on the Bridge, and whoever is on the Bridge from the People of Light will not be among the People of the Fire".

And he said, Allah's blessings and peace be upon him:"Whoever deliberately neglects to ask for blessings upon me has missed the path to The Garden, for the route to The Garden is barred for such a neglectful one, whereas it is open for him who asks blessings upon me".

It is related by 'Abdurraham ibn' Awf, may Allah be pleased with him, that he said, Allah's blessings and peace be upon him:"Gabriel, peace be upon be him said,' O Muhammad, whenever someone from your nation asks for blessings upon you, seventy thousands angels bless him, and whoever is blessed by angels is one of the People of The Garden".

And he said, Allah's blessings and peace be upon him: "The more you ask for the blessings upon me, the more you will have in The Garden"

It is related that he said, Allah's blessings and peace be upon him: "Whenever someone asks for blessings upon me, extolling my right, Allah, Mighty and Sublime is He, creates from his words an angel with wings stretching from the East to the West, with feet connected to the nethermost part of the seventh earth and a neck bent beneath The Throne.

Allah, Mighty and Sublime is He, Says to him, 'Bless My slave as he asks for blessings upon My Prophet and thereupon the angel will bless him until the Day of Resurrection".

It is related that he said, Allah's blessings and peace be upon him:"There will come to my Pool on the Day of Resurrection nations I will only know because of their frequent asking for blessings upon me".

It is related that he said, Allah's blessings and peace be upon him:"Whoever asks Allah to bless me, Allah will bless him ten times, and whoever asks ten times to bless me, Allah will bless him one hundred times, and whoever asks Allah one hundred times to bless me, Allah will bless him one thousand times, and whoever asks Allah to bless me one thousand times, Allah will prohibit The Fire from touching his body, his word on any matter will be made enduring in this world and the next, he will enter The Garden, on the Day of Resurrection his request for blessings upon me will be a light for him on The Bridge, a light visible at a distance of five hundred years, and Allah will grant him for every blessing upon me asked for a palace in The Garden, regardless of how many".

And the Prophet said, Allah's blessings and peace be upon him:"Whenever a slave asks for blessings upon me, his request leaves him quickly and passes over land and sea, through East and West, saying 'I am the blessing upon Muhammad, the Chosen One, the Best of Allah's Creation, asked for by so and so' and everything asks for blessings upon him. A bird is created from these blessings with seventy thousand wings, each of which has seventy thousand feathers. Each of the feathers has seventy thousand heads on each of which are seventy thousands faces. Each face has seventy thousands mouths and in every mouth there are seventy thousand tongues. Each tongue glorifies Allah the exalted in seventy thousand languages and Allah will then write for him the reward for all of that"

Ali ibn abi Talib, may Allah be pleased with him, said:"The Messenger of Allah, Allah's blessings and peace be upon him, said, 'Whoever asks Allah one hundred times on a Friday to bless me, a light will come for him on the Day of Resurrection, a light which, were it to be divided among them, would be enough for the whole of creation"'.

It is mentioned in the good tidings:"It is written on the leg of The Throne 'Whoever yearns for Me, I am merciful to him. Whoever asks Me,

I will grant him wish. Whoever draws nearto Me, by asking for blessings upon My Beloved Muhammad, I will forgive him, even if his sins were as plentiful as the foam on the surface of the ocean"'.

And it is related by one of the Companions, may Allah be pleased with them all,: "There is no gathering in which blessings upon Muhammad, Allah's blessings and peace be upon him, are asked for but that a beautiful fragrance rises from it which reaches the clouds in the sky and the angels say, 'This is a gathering in which blessings upon Muhammad, Allah's blessings and peace be upon him, are being asked for"'.

Other reports mention that:"The Gates of the Heavens are opened for a believing slave, male or female, who begins by asking for blessings upon Muhammad, and the Pavilions are opened as far as The Throne, and all the angels bless Muhammad, Allah's blessings and peace be upon him, and ask for forgiveness for that slave for as long as Allah wishes".

And he said, Allah's blessings and peace be upon him:"Whoever is troubled by some matter should increase his asking for the blessings upon me, and that will remove his anxieties, his sorrows and cares and will increase his provision and satisfy all his needs".

And one of the Righteous said:"A neighbour of mine was a scribe and he died. I saw him in a dream and asked him how Allah had treated him. He replied, ' He had forgiven me'. I said, 'For what reason has He forgiven you?'and he replied,'Whenever I wrote the name of Muhammad, Allah's blessings and peace be upon him, in a book, I asked Allah to bless him and thus My Lord has given me what no eye has ever seen, no ear has ever heard and what no mortal has ever imagined'".

And it is related from Anas, may Allah be pleased with him, that he said, Allah's blessings and peace be upon him:"None of you truly believe until I am dearer to him than his own self, his wealth, his children, his parents and all other people".

And it is related in the Tradition of Umar, may Allah be pleased with him, that he said. "You are dearer to me, O Messenger of Allah, than everything I possess except my own self which is within me". The Messenger of Allah, Allah's blessings and peace be upon him, replied:"You will not be a believer until I am dearer to you than your own self" Umar said: "By Him who revealed to you the Book, you are dearer to me than my own self". The Messenger of Allah, Allah's blessings and peace be

upon him, said to him:

"Now, O Umar, your faith is complete".

And it was asked of the Messenger of Allah, Allah's blessings and peace be upon him. "When will I attain faith?" (and in another version "When will I attain true faith") He replied:"When you love Allah" it was said:"And when will I love Allah?" He said:" When you love His Messenger?" it was said:"And when will I love His Messenger?" He said: "When you follow his path, adhere to his way, love what he loves and hate what he hates, befriend whom he befriends and oppose whom he opposes – and people will be distinguished one from another in their unbelief according to their hate for me".

Can there be faith for the one who has no love for him?

Can there be faith for the one who has no love for him?

Can there be faith for the one who has no love for him?

It was said to the Messenger of Allah, Allah's blessings and peace be upon him:"We see believers who are humble and believers who are not humble. What is the reason for this?" He said:"The one finds his faith adorned with humility whilst the does not". It was said: "How can we find such faith, or obtain it or earn it?" He replied:"By sincerely loving Allah". It was said:"How can the love of Allah be found or earned?" He said:"By loving His Messenger. So seek out the pleasure of Allah and the pleasure of His Messenger by loving Them".

And it was said to the Messenger of Allah, Allah's blessings and peace be upon him: "Who are the family of Muhammad whom we are ordered to love and honour and treat with reverence?" He replied:" The People of purity and fidelity, who believe in me sincerely". It was said:"What are their signs?" He said:"The traces of my love are on every lover and their inner life is busy with remembering me and remembering Allah" (In another version the words are:"Their signs are being addicted to remembering me and constantly asking for blessings upon me".)

It was said to the Messenger of Allah, Allah's blessings and peace be upon him:"Who is he who is strong in his love for you?" He replied:"The one who believes in me without seeing me for he is a believer in me through yearning and is sincere in his love for me. A sign of this is that he desires a vision of me more than anything he owns (in another version the words are:"…than all the gold in the world") This is a true believer in me whose

love for me is true and sincere".

It was said to the Messenger of Allah, Allah's blessings and peace be upon him:"Are you aware of the blessings upon you asked for by those who are not with you or by those who will come after you? What is their state regarding you?" He replied:"I hear the blessings of the people who love me and I know them. And the blessings of others than them are presented to me".

The Description of the Rawdah

the tomb of the Prophet, Allah's

blessing and peace be upon him

This is a description of the Rawdah (Paradisal Garden) in the which are buried the Messenger of Allah, Allah's blessings and peace be upon him, and his Companions, Abu Bakr and Umar, may Allah be pleased with them both. Thus Urwa ibn az-Zubaiyr, may Allah be pleased with him, mentioned :"The Messenger of Allah, Allah's blessings and peace be upon him, is buried in an alcove, and Abu Bakr, may Allah be pleased with him, is behind the Messenger of Allah, Allah's blessings and peace be upon him, Umar ibn Khattab, May Allah be pleased wit him, is buried at the feet of the Abu Bakr and the eastern side of the alcove is left empty. There is a place for another tomb. They say, and Allah Knows Best, that 'Isa ibn Mariam , peace be upon him, will be buried there, and this part of the good news brought by the Messenger of Allah, Allah's blessings and peace be upon him".

'Aisha, may Allah be pleased with her, said:"I saw three moons falling into my room. I told my vision to Abu Bakr, may Allah be pleased with him. He told me, 'O 'Aisha, there will be three buried in your house. They are better than all the people of the earth'. When the Messenger of Allah, Allah's blessings and peace be upon him, passed away, he was buried in my house, Abu Bakr, may Allah be pleased with him, said to me, 'This is one your moons and he is the best of them, Allah's blessings and peace be upon him and his family"

You are the Abiding with no ending, the Rich with no equal, the Holy, the Pure, the High, the Powerful, the One Who is neither encompassed by space nor contained by time.

I ask You in all of Your most beautiful names and in the Greatest of Your names, and for the sake of the rank most noble to You, and for the sake of the reward most plentiful with You, and for the sake of the promptest response from You, and in Your Protected and Hidden Name, the Most Exalted of the Exalted, the Greatest of the Great, the Most Magnificent of the Magnificent, the One Who responds to and satisfies him who calls upon You in them and whose prayer is accepted.

O Allah, I ask You and I bear witness that You are Allah, and there is no god but You, the One, the Only the Eternal, the One Who neither begets nor is begotten, and there is nothing like Him, O He. O the One Who there is no other he but He. O the One Who there is no god but He. O my Infinity. O my Eternity. O my Destiny. O my Everlasting. O the One Who is the Living Who does not die. O our God and God of

The hearts of all creatures are between Your hands, we entrust them to You, for You cause goodness to grow in their hearts and You erase the evil from them as You like.

So I ask You, O Allah, that You erase from my heart everything that You hate and fill my heart with fear of You, knowledge of You, awe of You, longing for what is with You, and security and well-being, and have pity on us with mercy and blessings from You, and inspire in us that which is proper and wise.

And I ask You, O Allah, for the knowledge of those who fear, the repentance of the humble, the sincerity of those who are certain, the gratitude of the patient, and the penitence of the truthful ones.

And we ask You, O Allah, by the light of Your Face which fills every corner of Your Throne, that You cause to grow in my heart knowledge of You until I know You, Your True Knowledge, in a way that You should be known, and the blessings and abundant peace of Allah be upon our master Muhammad, the Seal of the Prophets and Leader of the Messengers, and upon his family and Companions, and praise be to Allah, the Lord of the Worlds.

O Allah, forgive the author and have mercy upon him and make him among those who are gathered together in the company of the Prophets and truthful ones, and martyrs and righteous ones, through Your favour, O Compassionate One.

And I have no good acts with which to meet The All Knowing.
But great love for You and my faith.
Be my protection from the evil of life and from
The evil of death and from the burning of my mortal frame.
And fulfil my every need saving me from ruin.
And be my release from the fetters of disobedience.
Salutations of the Eternal the Master and His Mercy
As abundant as the leaves in the leafiness of the boughs
Upon you O Trusty Handhold O my Support.
The Faithful One and whoever praises him spiritually and fragrantly.

Then read the *Fatiha* for the author and the following supplication which is the seal of *The Index of Good Things*

In the of Allah, All-Merciful. The Mercy Giving.
O Allah, through our asking for blessings upon him expand our hearts.
And thereby ease our affairs.

And thereby forgive our sins.
And relieve our debts.
And improve our states.
And thereby fulfil our hopes.
And accept our repentance.

And cleanse our misdeeds.

And thereby help our pleas.

And purify our tongues.

And end our loneliness.

And thereby relieve our separation.

And make it a light in front of us and behind us.

To our right. And to our left. And above us and beneath us.

And in our lives and in our deaths.

And in our graves and in our gathering and in our resurrection and shade for us on the Day Judgement over our heads.

And weigh down the scales there by with good actions.

And repeat its blessing on us until we meet with our Prophet our master Muhammad, Allah's blessings and peace be upon him and his family and we are believing, we are certain, we are overjoyed and we are the receivers of good news.

And do not separate us from him until You make us enter through his entrance hall and accommodate us in his noble neighbourhood with those You have favoured among the Prophets, the Truthful Ones, the Martyrs and the Righteous Ones, and what a fine company they are.

O Allah, we have believed in him, the blessings and peace of Allah be upon him, without seeing him, so make us enjoy, O Allah, a vision of him in the two realms and keep our hearts always in love with him.

And establish us upon his way.

And cause us to die following his religion.

And resurrect us in his secure com[any and party of success.

And avail us of that love of him, the blessings and peace of Allah be upon him, which is locked away in our hearts on the day when there will be no ancestors, no wealth and no sons (that is, to speck up for us).

And have us drink at his Purest Pool.

To drink from his Fullest Chalice.

And facilitate for us a visit to Your Sacred Place (Mecca) and his Sacred Place (Medina) before You cause us to die.

And make our stay at Your Sacred Place and His Sacred Place the blessings and peace of Allah be upon him, last until we pass away.

O Allah, we seek his intercession with You, for his is the most lauded intercession with You.

And we entreat You through him for he is the greatest one to entreat You.

We seek access to You through him for his is the closest access to You.

We complain to You, O Lord, about the hardness of our hearts.

And the abundance of our sins.

And extent of our hopes.

And the imperfection of our actions.

And our laziness to do good deeds.

And our haste to commit bad deeds.

Bestow upon this plaintiff, You, O Lord, victory over our enemies.

And help our souls.

And through Your Grace make us rely solely on our good acts and not upon anything else, O our Lord.

O Allah, we associate ourselves with the honour of Your messenger, the blessings and peace of Allah be upon him, so do not distance us.

And we stop at Your Door so do not turn us away.

And we ask You alone so do not disappoint us.

O Allah, have mercy upon our imploring and allay our fear.

Accept our actions and make us righteous.

Make obedience to You our main occupation.

And make us use our wealth only for good.

And fulfil our hopes and more.

And seal our final destinations with happiness.

Thus is our lowliness made clear before You and our condition is not hidden from You.

You have commanded us and we have been heedless.

You have forbidden us and we have been transgressed.

Nothing is wider than Your Clemency.

So pardon us, O Best Fulfiller of Hopes.

And Most Generous Requestee.

For You are the Pardoner, the Forgiver, the Merciful, O Most Merciful of the Merciful

And the blessings and abundant peace of Allah be upon master Muhammad and upon his family and Companions and praise be to Allah, Lord of the Worlds.

محمد صلى الله عليه وسلم

The Supplication Refuge

Allah, there is no god but He, the Living, the Self-Subsisting, Eternal. No slumber can seize him, nor sleep. His are all things in the heavens and on earth. Who is there can intercede in His Presence except as He permits? He Knows what appears to His creatures before or after or behind the. Nor shall they compass aught of His knowledge except as He wills. His throne extends over the heavens and the earth. And he feels no fatigue in guarding and preserving them. For He is the Most High, the Supreme.

Let there be no compulsion in religion, Truth stands out clear from error. Whoever rejects evil and believes in Allah has grasped the most trustworthy handhold, that never breaks, And Allah hears knows all things.

Allah is the protector of those who have faith. From the depths of darkness He will lead them forth into light. Of those who reject faith the patrons are evil ones. From light they will lead them forth into the depths of darkness. They will be companions of the Fire, to dwell therein. (Surah Al-Baqarah. 255-257) When those come to you who believe in Our Signs say: " Peace be upon you, Your Lord has ascribed for himself (the rule) of Mercy. Verily, if and of you did evil in ignorance, and thereafter repented, and amended (his behaviour) lo, He is Oft-forgiving,, Most Merciful." Thus do we explain the signs in detail. That the way of the sinners may be shown up.

Say: "I am forbidden to worship those – others than Allah – whom you call upon." Say: "I will not follow your vain desires. If I did, I would stray from the path, and be not of the company those who receive guidance." (Surah Al-'Anam.54-56)

After the exitement of the distress, he sent down calm on a band of you, overcome with slumber, whilst another band was stirred to anxiety by their own feelings, moved by wrong suspicions due to ignorance. They said: "What affair is this of ours?" Say : "Indeed this affair is wholly Allah's". They hide in their minds what dare not reveal to you. They say to themselves : "If we had anything to do with this affair we should not have been in the slaughter here". Say: "Even if you had remained in your homes, those for whom death was decreed would certainly have gone forth to the place of their death". But all this was that Allah might test what is in your hearts. (Al-Imran, 154)

Muhammad is the Apostle of Allah. And those who are with him are strong against unbelievers, compassionate amongst each other. You will see then bow and prostrate themselves, seeking Grace from Allah and His good pleasure. On their faces are their marks, the traces of prostration. This is their similitude in the Taurat. And their similitude in the Gospel is like a seed which sends forth its blade, then makes it strong. It then becomes think, and it stands on its own stem, filling the sowers with wonder and delight. As a result, it fills the unbelievers with rage at them. Allah has promised those among them who believe and do righteous deeds forgiveness and a great reward.(Surah Al-Fath, 29)

Alif, ba, ta, tha, jeem, ha, kha, dal, dhal, ra, za, seen, sheen, sad, dad, tta, zaa, 'ain, ghain, fa,qaf, kaf, lam, meem, nun, waw, he, ya.

O my Lord, give us ease and relieve us and do not burden us O my Lord.

Translator's Note

Of the various editions of Dala'il ul-Khayrat available, this translation into English is based on the version of the text commonly available in Turkey and in the Indian sub-continent. Readers familiar with other editions, such as the Moroccan or Egyptian editions, will, therefore, notice some minor differences. These generally involve, on the one hand, the arrangement of the text of Dala'il itself, and on the other, the addition of certain other well-known formulations of blessings and supplications which are traditionally placed either before or after the main text (e.g. Shahili's Hizb ul-Bahr, Ibn Mashish's Salat, Ahmad Ibn Idree's Al-Astighfar ul-Kabeer, etc.)

This translation is of the entire text of Dala'il ul-Khayrat with only the minor additions of some verses following on from the Most Beautiful Names and verses ascribed to Imam Jazuli towards the end of part eight.

The translator hastens to point out that he is not a scholar of the Arabic language and welcomes comments on weaknesses in the translation and suggestions for improvemnets.

This work has been undertaken and made available with the approval of my Sheikh and Teacher, Mawlana Shaykh Muhammad Nazim Adil al-Haqqani.
